## Case Studies – The Raise Impact

We support a leading North American pipeline and energy infrastructure company by delivering specialized engineering, project, and field talent along with dependable payroll and workforce compliance for large-scale capital and maintenance programs.

We serve as a top Tier-1 supplier and payroller for a major Power & Energy company, delivering curated engineering, field, and project delivery talent along with fully compliant workforce management that keeps critical infrastructure programs on track.

For one of our Multinational clients, aligned to Global ERP migration and unlock improved contractor experience, flexible sourcing, and significant cost reduction.
